### HASCO hadron collider summer school, 07.- 19.07.2013

Dear school applicant,

after evaluation of a large number of applications for the HASCO hadron collider summer school, **you have been selected**. Congratulations on behalf of the organizing committee! The actual school will take place in Göttingen, Germany, from 07. (arrival day) to the 19.07.2013 (departure day). The tentative school program will be sent to you in the next weeks.

The school covers 90% of your actual travel costs (within the limits specified in our email). 10% have to be covered by yourself or by your local institute. Please contact your local institute representative for details. We also cover accomodation, breakfast, dinner, and costs for excursions. Please arrange yourself train (2nd class German Railway) (or if needed plane) tickets to Göttingen train station asap including comparative offers (for example from online web page), pick the cheapest/most suitable one. Please send us (via fax +49 551 39 4493, c/o Eric Drechsler or via email [eric.drechsler@stud.uni-goettingen.de](mailto:eric.drechsler@stud.uni-goettingen.de)) **latest by Mai 13, 2013**:

- copy of your train/plane tickets. Only this fax/email will be considered as confirmation of your acceptance and participation in the school. You will be reimbursed for those costs immediately after the school.
- a copy of your student ID as proof of your student status at your home university
- a confirmation that you have a valid health insurance or that you get one, for example from here:  
<https://www.daad.de/versicherung/allgemein/bedingungen/en/14397-daad-insurance-destination-germany/>
- please let us know if you bring your child. Children are most welcome and we do provide childcare.

Please do not hesitate to get in touch with Eric Drechsler or me in any case of questions. We are looking forward to you visiting us in Göttingen and to the summer school!

Yours sincerely,

Prof.Dr.Arnulf Quadt
